

Moran to Host Agriculture Forum during 3i Show

Information Booth Also Available During Three-Day Event

GARDEN CITY - Congressman Jerry Moran today announced he will host an agriculture forum and have an information booth available at the 53rd Annual Western Kansas Manufacturers Association 3i Show - Irrigation, Implements, Industry - in Garden City next week. This year's 3i Show will run Thursday, May 10 through Saturday, May 12 and be located at the Finney County Fairgrounds. Moran has attended the 3i Show for more than 10 years in a row.

The agriculture forum will be Saturday from 10:00-11:00 a.m. in the GMC tent. KBUF Radio, Garden City, will be broadcasting the forum. Also throughout the three-day event, Moran's staff will be available to answer questions at booth I-171.
